Kettridges ISA BROWN Chick Starter Crumble

Chick starter crumble is designed to give day old chickens a great start up to 6 weeks of age with a balanced diet to meet their early growing needs.

Ingredients may include

Cereal Grains, Canola meals, Lupins, Peas, Meat Meal, lysine methionine, vegetable oils, coccidiostat and vitamin and mineral premixes.

Benefits

- Formulated to meet all the protein, energy and mineral requirements for early growth and development with balance on cost to maximise your feeding dollar value.
- Pelletised and crumbled to prevent selective feeding and to encourage all day olds to a great start with even nutritional spread.
- Crumbled to ensure that dust and wastage is minimised.
- All raw materials are checked when received to ensure product safety and high standards are maintained.
- Coccidiostat added to assist in coccidiosis control.

This product contains restricted animal material - DO NOT FEED TO CATTLE, SHEEP, GOATS, DEER OR ANY OTHER RUMINANTS. TO BE FED TO CHICKENS ONLY!

This product is best stored under cool and dry conditions and used within 6 months of production date.

Feeding Directions

Feed your young flock ad-lib from one day old up to 6 weeks of age and expect birds to consume up to 45g/ bird/ day at 6 weeks.

It is important to ensure good quality, clean water is always available and that troughs are cleaned daily.

Kettridges operates a Quality Management System Feedsafe accreditation No 45
